**Allah created man** in a manner that he is incomplete and imperfect without a spouse. Man may upgrade his knowledge, faith and excellencies, but he shall never reach the desired perfectness if he does not get a spouse...[\[more\]](#)

**The matter of preserving a person's true identity** seems somehow epitomized in the position of the married woman in Islam. For while she takes on a new marital identity and may be called wife of so and so...[\[more\]](#)

**Qur'an 4:34 (Surah Nisa. ayah 4)** gives some guidance as to how to deal with marriage difficulties when husbands feel that their wives are being deliberately nasty to them...[\[more\]](#)

**In light of the experience** of the past years, it is time to take stock and try to halt the ever-mounting tide of divorces among Muslims. It is not unusual today to find...[\[more\]](#)

**In Islam, marriage preparation is multi-dimensional.** The first step in the marriage preparation process is that a person does some introspection to see if they are really...[\[more\]](#)

**From a legal point of view** Islam views marriage as an 'aqd or contract. Like any other contract the marriage contract requires full and free consent of the parties concerned...[\[more\]](#)

**The principles of conjugal love in Islam are few and uncomplicated.** Sexual relations are for the pleasure of both the husband and the wife and for the procreation of children. Sexual intercourse is not limited to vaginal penetration...[\[more\]](#)
